

Directions:

1. Cut out the cave (tomb) and the boulder separately.
2. Take a small piece of paper and cover the hole of the cave (tomb).
3. Write the word “empty” on the paper in the cave (tomb) entrance.
4. Take the boulder and cover the front of the cave (tomb).
5. Attach the boulder with a brad so it can be “rolled” away from the cave (tomb) entrance.
